Secretary

# MESSAGES

## FROM OUR AUTHORITIES

### DIRECTOR'S MESSAGE

**SANJEEB MUKHERJEE**  
Director

Dear students/ guardians,

The main aim of the institution is to prepare the graduates to assume responsibilities as professional nurses. The institution also aims to prepare nurses who can make independent decisions in nursing situations, protect the rights of and facilitate individual and groups in pursuit of health function in the hospital, community nursing services and conduct research studies in the area of nursing practice. They are also expected to assume the role of a teacher, supervisor and the manager in a clinical/public health setting and educational institutions of Nursing.

### PRINCIPAL'S MESSAGE

Nursing is a healthcare profession focused on the care of individuals, families, and communities so they may attain, maintain or recover optimal health and quality of life from conception to the end of the life. Nurses have wide opportunities in the hospitals, colleges, communities, research and health development programmes.

I am impressed by the professionalism, enthusiasm, imagination and commitment of the management. I am delighted and proud to lead this institution, on behalf of the management, faculties, and on my own behalf.

I look forward to welcoming you to this institution to fulfill your dream & stay dedicated to your profession.

**PROF. SUNITI DAS**  
Principal

# WHY NURSING? FOR MALE

## DEMAND FOR MALE NURSE

The nursing field continues growing at a rapid pace. There is a huge demand for male nurses in the medical field. Hiring men becomes even more crucial due to the demand. Women can't fill all the nursing positions and hiring men is a great way to find qualified nurses.

## SEVERAL NURSING SPECIALITIES TO CHOOSE FROM

Nursing offers men various avenues to pursue. For the more technical person, anesthesia nursing. If you have a desire to work with kids, there's pediatrics. Also, there are several middle management positions along with nurse education and nurse practitioner roles.

## SOME PATIENTS PREFER MALE NURSES

Many different patients require healthcare. These patients all come in with various needs and desires. For example, some men feel afraid to appear weak in front of women. Therefore, they feel more comfortable with a male nurse.

## MALE NURSES PROVIDE A POSITIVE ROLE MODEL FOR YOUNG BOYS

Gender stereotypes still permeate our culture. As such, young men and boys should experience male nurses who love their job. Seeing males in non-traditional roles will help eradicate the biases at an early age.

Also, young boys can benefit from having a role model who understands what they are going through. Sometimes talking about intimate aspects with unfamiliar women can challenge younger men.
